For the attention of Jacob George
Doncaster Council

18th March 2022

Sent via email

Dear Jacob,

**Planning reference: 21/02724/FUL – 148 Sprotbrough Road, Sprotbrough,
Doncaster, DN5 8BB – Proposed treatment plant in rear garden**

The Parish Council discussed the above application at its meeting on 17th March 2022 and wish to make the following observations;

1. The Parish Council is concerned regarding the impact the proposed development will have on the surrounding water table which is already high in this area and the permeation of the effluent into the ground water through the absorption and purification system. We trust the relevant statutory water bodies will provide further detail on this as part of the consultation process.
2. The Parish Council also questions the necessity of the proposed development when the house already is linked to the existing grounds water and sewerage systems in place on Sprotbrough Road.

Kind regards,

E. Garner

Emma Garner
Clerk to the Council
