Dear Sara,

Planning reference: 22/01530/FUL – 49 St Giles Gate, Cusworth, DN5 8TZ

Thank you for your notification of the above application on 7th July. The Parish Council considered the application at its meeting on 22nd July and wish to make the following observations.

1. It is our understanding that work has already commenced on this property prior to planning permission being granted.
2. The proposal to replace the external plastic cladding on the property with render finish is incongruous with the existing housing on the street and would not be in keeping with the existing street scene. Measures should be taken to align the exterior of the property with the current cladding.

Kind regards,

E. Garner
