For the attention of Susie Boyce
Doncaster Council

21st February 2023

Sent via email

Dear Susie,

Planning reference: 23/00279/TEL - Removal of existing 15m lattice tower, 3no, antennas, 3no. ERS units and 1no. transmission dish and the installation of a replacement 30m lattice tower with 6 No. antennas, 9 No. ERS units and 2 No. transmission dishes within the existing compound and ancillary development thereto - Telecommunications Mast C2463 Back Lane Cusworth Doncaster

Thank you for your notification of the above application on 15th February 2023. The Parish Council discussed the application at its meeting on 16th February 2023 and wish to make the following observation;

1. Given the proposal is to double in height and size the current mast we would ask given its semi rural location that the colour of the mast is that of green/ blue to blend in with the location rather than it stand out and be a detractor in the landscape. This has been achieved in other locations and we believe it should also apply to this proposal.

Kind regards,

E. Garner

Emma Garner
Clerk to the Council
